3 April 2018 Career

Helaba Invest welcomes Steffen Uttich

From 3 April 2018, Helaba Invest is expanding its sales team with the addition of Steffen Uttich.

As a director in the Acquisition/Customer Relations department, Uttich will be responsible for further development of the multi manager platform for real estate and alternative investments. Previously, he was active as the head of fund management at BEOS.

“In Steffen Uttich, we are delighted to have gained an experienced expert from the real estate sector”, said Uwe Trautmann, who is responsible for Helaba Invest’s sales activities as chairman and managing director. “At BEOS he demonstrated that he was able to considerably expand a real estate platform for institutional investors and will be assisting us in driving the growth of our product range in the future.”

Helaba Invest’s unique selling point on the German market remains its consistent focus on an investment strategy based on specialist, indirect investments in real estate (Multi Manager) as well as on infrastructure investments. Over recent years it has managed to build up substantial expertise and a

track record in transaction activity in this area. Overall, Helaba Invest has assets under management in the asset classes of real estate and alternative investments of more than EUR 10 billion.

»In Steffen Uttich, we are delighted to have gained an experienced expert from the real estate sector.«

Uwe Trautmann
Chairman and managing director of the Helaba Invest

Helaba Invest

Helaba Invest was founded in 1991 as a wholly-owned subsidiary of Helaba. Since then, it has been responsible within the Helaba Group for the professional management of assets of institutional investors.

Helaba Invest's business strategy is based on the three pillars of "Master KVG", "Asset Management Securities, SAA and TAA" as well as "Asset Management Real Estate and Alternative Asset Classes". With a volume of assets under management of approx. EUR 130 billion, Helaba Invest is one of the leading capital management companies in the segment of institutional asset management.
