Information on your right to object pursuant to Article 21 GDPR

Right to object in individual cases

You have the right at any time, for reasons deriving from your particular situation, to object to the processing of personal data relating to you on account of Article 6(1)(e) GDPR (data processing in the public interest) and Article 6(1)(f) GDPR (data processing for the purposes of weighing up interests); this also applies to profiling within the meaning of Article 4(4) GDPR that is based on this provision.

If you withdraw your consent, we will no longer process your personal data unless we are able to provide evidence of binding justified reasons for such processing which outweigh your interests, rights and freedoms, or if the processing serves to assert, exercise or defend legal claims.

Right to object to the processing of data for direct marketing purposes

In individual cases we will process your personal data for direct marketing purposes. You have the right to object to the processing of personal data relating to you for such marketing purposes; the same applies to profiling if it is connected with such direct marketing. If you object to processing for direct marketing purposes, we will stop processing your personal data for these purposes.
